

## Hadassah Healing Oils Seminar Requirements

Thank you for considering hosting Hadassah Healing Oils to do a seminar in your area.

We truly honor those requesting and arranging such a huge event as we are fully aware of the time, patience, energy, and immense effort it takes to make it possible.

We have a few necessary arrangements and requirements to be aware of for you to host a well-organized seminar.

Kindly contact Lechi on 073 878 2014 (whatsapp) to discuss and provide you with the list of detailed requirements for consideration and possible dates available

We pray about these seminars and trust Abba Father for directing and leading us to the right places at the right time to reach the nations, one person at a time.

Hadassah Healing Oils Seminars are being held across South Africa and Internationally, on request by organiser/s in a specific town or larger area.

A minimum of at least 50 people is required.

We can supply an overhead projector, a white screen, and sound on request.

We always look forward to our time together.

Kind Regards  
Hadassah Healing Oils Team
